Re: Verizon Wireless
Cases 02-CA-157403, et al.

Dear Counsels,

This will acknowledge receipt of the Charging Parties' Motion to Strike Verizon's Reply Memorandum, filed with the Board on August 3, 2020. The Charging Parties' assert that permitting the Respondents to file a reply to the memorandum "is a denial of due process and there is nothing in the Board rules that authorizes a response." Contrary to the Charging Parties, the reply memorandum was properly filed. Cf. Baker Electric, 330 NLRB 521, 521 fn. 4 (2000). Accordingly, the motion to strike is denied and the request to file a surreply is denied.

Very truly yours,

/s/ Farah Z. Qureshi
Deputy Executive Secretary
